Scrapbook

- 12" paper trimmer** – heavy duty enough to easily cut through any kind of paper
- Adhesive** – glue sticks for beginners, but there are many options including double-sided tapes and spray adhesive
- Album** – choose one that will fit on your bookshelves
- Black marking pen** – acid-free, waterproof, fade-proof, non-bleeding, odorless pen
- Colored cardstock**
- Patterned papers**
- Extra paper** – to sketch page ideas
- Decorative additions**
- Oval template** – great for shaping your photos and papers
- Pencil**
- Ruler**
- Eraser**
- ¼ inch hole punch**
- Scissors** – smaller scissors are easier to make detailed cuts
- White gel pen** – great for writing on dark colors.

Be creative with the decorations you add to your scrapbook. Look for ribbons, buttons, yarn, stickers, plastic and metal accents, beads and anything else you think fits your theme and will work on a page.

For easy clean-up:

- Swiffer® Carpet Flick™
